Comics and comics sex comic porno with Punisher vs. Iron Man! The original superhero Punisher, created by Frank Miller and appearing in the Marvel comics, was a sociopathic anti-hero and vigilante who fought crime with his signature machine gun, dual pistols, and a sword. The title character is also a member of the New Warriors. The character's name is Pat Garrett, a former U.S. marshal from the Old West, who changed into a cyborg through the power of the Legion of Super-Heroes. When he returned to Earth, he began serving as a vigilante on his own and received the power-armor and weapons known as the "Techsuit" from the Legion. He later became a founding member of the eponymous group, though left the team in 1977. The character has been adapted into a number of media, including a live-action film released by New Line Cinema in 2005. A handful of the Punisher's appearances have been collected as trades or mini-series, with three limited series being released by Marvel as a part of the Marvel Knights imprint. Other Punisher titles were produced by Marvel's mature
